SIERRA PACIFIC APPAREL®

ABOUT US:

We are a third-generation, family-owned and operated apparel company with more than 60 years of experience in apparel manufacturing and importing. For the past 30 years, we have supplied the promotional products industry with best-in-class apparel designed for quality, consistency, and value. Our deep experience—including a strong global vendor network, long-standing logistics partnerships, and a steadfast commitment to customer service—gives us a unique advantage in serving the advertising and promotional markets. These strengths allow us to continually deliver apparel that meets the evolving needs of our partners. Beyond our dedication to family and craftsmanship, we are guided by four core pillars that drive our continued growth and industry leadership:

GREEN AND SOCIAL INITIATIVES:

We are committed to strengthening our relationship with the natural world and the communities we serve. Our goal is to embed eco-friendly practices and social responsibility into every level of our operations. This includes carefully selecting overseas partners who share our values, developing environmentally conscious products, and considering the broader environmental impact in our decision-making. We also prioritize a healthy work-life balance for our employees and partners, ensuring that the people behind our products thrive as much as the products themselves.

PRODUCT INITIATIVES:

Aligned with our sustainability and social commitments, we focus on creating on-trend, high-value apparel tailored to the demands of today's marketplace. We continuously monitor retail and fashion trends to ensure our offering reflects what end-users want most. Innovation is at the heart of our product strategy—we are always developing new styles, refining designs, and expanding our assortment. Be sure to check back often to see what's new.

TECH INITIATIVES:

We are invested in integrating technology across all customer touchpoints, including social platforms, industry software integrations, and our own digital tools. At the center of these efforts is our newly enhanced website, featuring live inventory, private customer logins, and custom pricing. This platform streamlines the ordering process and makes working with us faster, easier, and more efficient.

Our products are just a click away! Shop and order seamlessly with discounts straight from the manufacturer.

INDUSTRY INITIATIVES:

We actively pursue partnerships with leading organizations across the advertising and apparel industries. Our longstanding participation has earned us multiple accolades, and we are committed to deepening these relationships as we work to become the most reliable and innovative apparel supplier in the market. These partnerships allow us to expand our reach, strengthen our connection with customers, and continue delivering exceptional products across platforms and industries.

As an active ASI and SAGE partner, including A+ Supplier standing on SAGE, we provide real-time inventory, spec sheets, high-res imagery, and digital catalogs for quick quoting and presentation.
