A single thread—a spark of inspiration.

Our Legacy.

Every lasting legacy begins with a single thread—a spark of inspiration and a promise for tomorrow.

For over forty years, LAT has woven quality and care into every garment, guided by a mission that began when our founder searched for clothes worthy of his daughter and recognized the need for something better. What started as a father's love evolved into a brand built on trust for families everywhere.

Headquartered in Georgia, our journey is defined by connection, from our team members, distributors, and retail partners, all united to deliver apparel that brings people together.

Our brands—Rabbit Skins and Live & Tell—celebrate dreams and authenticity, wrapping every moment in care, belonging, and individuality.

LAT is more than a company. It's a legacy—crafted with heart, built on trust, shaped by purpose, and worn by those who seek more than clothing: comfort that connects.

Durable. Decorator Friendly.

Live & Tell uses combed ringspun cotton in both unisex and youth styles for garments that are soft, durable, and decorator-friendly. White & Ash pieces feature 100% cotton thread for a smooth surface ideal for garment dyeing. In 2024, all styles transitioned to 3-end fleece with a 100% cotton face—softer, more durable, and designed for superior ink absorption and decoration clarity that lasts.
