

Vision.

Innovate, lead, and provide the best quality, value and service to enhance the user experience for our entire community; customers, partners and employees.

Mission.

Bring inspiration and innovation to the apparel market and to deliver faster than anyone else.

Brand Direction.

Become memorable in the eyes of the consumer.

Values.

All of our apparel is produced ethically in our socially-compliant WRAP-certified (Worldwide Responsible Accredited Production) factories that are sweatshop-free and child labor-free. Manufactured goods and raw materials are never sourced from China's XUAR, and initial and ongoing due diligence is performed to ensure forced or involuntary labor is not present throughout our supply chain.

Sustainability.

Sustainability is an ongoing mindset at LAT Apparel. All of our factories have adopted newer, sustainable manufacturing processes and procedures. In addition, at LAT Corporate, we are reducing our carbon footprint with the use of motion sensor automated lighting throughout the warehouses and offices, reducing electrical usage by up to 25%. Our warehouses feature a paperless pick/pack system that diverts tons of waste from local landfills.
